Advent Activities

These activities can be done at any time during the month of December. Put them on your family calendar, or randomly select one to do when you have time.

Brainstorm random acts of kindness then pick a day when you'll do those good deeds with your family, or gather a small group of people to do it with you.

Divide into teams and host a Christmas cookie bakeoff. Decide the rules of the game beforehand, such as secret ingredients to be used or a creative spin on a Christmas cookie classic. Invite some friends or neighbors to decide the winner of the challenge.

Put up a tent or build your own fort and have a Christmas campout right in your living room. Decorate your tent or fort with Christmas lights and spend some time reading some of your favorite Christmas books before bed.

Make or buy an ornament that represents something significant for your family this year. Make sure to write the date on the back or bottom of the ornament.

Experience Advent in a new and meaningful way.

The Advent Experience Box includes everything you need to inspire simple moments that require little planning to create a Christmas with meaning—Scripture readings, activities, discussion questions, and more all in one box!
